

Let's Talk about Prostate Cancer (04.02.22)

Useful Links

Prostate Cancer UK

- Find more information on the Prostate Cancer UK website:
<https://prostatecanceruk.org/>
- Complete the Prostate Cancer UK (30 second) risk checker online at <https://prostatecanceruk.org/risk-checker> to help inform you of your risk of prostate cancer based on your age, ethnicity, and family history.
- The PROFILE Study, which is part-funded by Prostate Cancer UK, looks at men with a higher risk of prostate cancer based on their ethnicity. It looks at whether any of these genetic changes are present in their DNA (genetic material and whether this could be a helpful screening tool in a prostate cancer screening programme.
See more information here: <https://prostatecanceruk.org/research/research-hot-topics/risk-research>
Watch a video about the study: <https://www.youtube.com/watch?v=A72hCjLN3gE>

For further information and an informal chat about taking part, please contact the research nurses at The Royal Marsden Foundation Trust and Institute of Cancer Research by calling 028 722 4483. Or, email: prostate.research@rmh.nhs.uk

- Speak to a Prostate Cancer UK specialist nurse, Monday-Friday 9am-5pm (Wednesday 10am-5pm) in confidence on 0800 074 8383. Specialist nurses are also available on live chat, email, and social media.
Visit <https://prostatecanceruk.org/nurses>
- You can download a document that you can take to your GP if you are concerned about your risk and would like to get a PSA test:
<https://prostatecanceruk.org/media/fmqnqn1j/6216-prostate-cancer-uk-gp-questions.pdf>

[PCaSO - Prostate Cancer Support Organisation](#)

- PCaSO is a charity for men diagnosed with prostate cancer, run by patients diagnosed with prostate cancer. See more on their events and resources on their website: <https://pcaso.org/>

[Cancer Matters Wessex](#)

- Cancer Matters Wessex is there for you if you are affected by cancer, whether as a patient, carer, family member or friend. You will find information about the diagnosis and treatment of cancer, as well as links to local services and support to help you live with and beyond cancer. Visit: <https://cancermatterswessex.nhs.uk/>
